|   | List all debts, obligations and credit accounts (medical bills, auto loans, repairs, charge accounts, credit cards, etc.). Show them even though the present balance may be zero. Include any disputed debts and also any loans or contracts on which you are a co-maker, co-signer or guarantor. If any account listed below is not carried in your name, then state the name under which it's carried. Use a separate sheet if necessary. Place a "Y" for yes, an "N" for no next to each debt to show whether or not it is past due. Omitting debts for which you are liable is grounds for denial of the loan application. |                                |                          |                                     |  |              |   |  |   |  |                               |                      |                            |  |              |        |           |  |
